But now that she's a star in 'Orange is the New Black', the popularity of this model, actress, and VJ has grown worldwide. "Gender fluidity is not really feeling like you're at one end of the spectrum or the other. For the most part, I definitely don't identify as any gender," - Rose said; - "I'm not a guy; I don't really feel like a woman, but obviously I was born one. As a little kid, I was convinced that I was a guy. Then in my teens, I tried to be quite feminine...And after a little bit, chopped everything off and am kind of back where I started. So, I'm somewhere in the middle, which - in my perfect imagination - is like having the best of both sexes." #lgbt #RubyRose #GenderFluidity #lesbian #OrangeIsTheNewBlack
